megadimension neptunia vii processor pack

Pay to win pack, everything else sucks compared to these, be op and make the purchase.
Also defeats 90% of the fun.. This DLC gives ya pretty OP Processor parts. Keep in mind that, if you don't want to play with the parts, you'll need to unequip them everytime a charakter joins your party, that can wear these. However, especially for postgame\/DLC-areas, they are a good addition.. This DLC gives ya pretty OP Processor parts. Keep in mind that, if you don't want to play with the parts, you'll need to unequip them everytime a charakter joins your party, that can wear these. However, especially for postgame\/DLC-areas, they are a good addition.. Pay to win pack, everything else sucks compared to these, be op and make the purchase.
